2. Working Hours and Attendance

2.1 Standard Working Hours (Policy HR-WH-001)

The standard work week is Monday to Friday. The standard office timing is 9:30 AM to 6:30 PM, including a one-hour lunch break (typically 1:00 PM to 2:00 PM, flexible by team). This results in 8 working hours per day and 40 working hours per week.

Parameter	Detail
Standard shift	9:30 AM to 6:30 PM (General Shift)
Working days	Monday to Friday
Weekly offs	Saturday and Sunday
Lunch break	1 hour (unpaid, not counted in working hours)
Tea / short breaks	Two short breaks of up to 15 minutes each, counted as working time
Minimum daily hours for full-day attendance	8 hours of work (swipe-in to swipe-out minus lunch break)
Minimum hours for half-day attendance	4 hours

2.2 Flexible Timing (Policy HR-WH-002)

Employees may choose a start time between 8:00 AM and 10:30 AM, provided they complete 8 working hours and remain available during the core collaboration hours of 11:00 AM to 4:00 PM. Teams working directly with client time zones may be required to adopt a fixed schedule; the manager will communicate this in writing. Flexibility is a privilege, not an entitlement, and may be withdrawn for repeated attendance issues.

2.3 Hybrid Work Model (Policy HR-WH-003)

- Employees in hybrid-eligible roles work from office 3 days per week. Tuesday, Wednesday and Thursday are the anchor days when all team members are expected to be in the office.
- The remaining 2 weekdays may be worked from home or any approved remote location within India.
- Employees who are in client-site assignments follow the client's schedule; the anchor day rule does not apply.
- Fully remote roles are defined at the time of hiring and noted in the offer letter. A change from hybrid to fully remote requires approval of the Business Unit Head and HR.
- Working from a location outside the employee's registered city for more than 10 working days in a quarter requires prior approval from the manager and HRBP (tax, insurance and security implications apply).
- Working from outside India is not permitted without written approval of the HR Head India and the CISO.

2.4 Attendance Recording (Policy HR-WH-004)

Attendance is recorded through badge swipes at office entry points. Employees working remotely mark attendance on ZenConnect (Attendance > Mark WFH) by 11:00 AM on the working day. Each employee's attendance status is visible on the ZenConnect dashboard.

- **Late arrival:** Employees get a grace of up to 30 minutes beyond their chosen start time, three times per calendar month. Each additional late arrival beyond three results in a deduction of half a day from the Casual Leave balance. If no CL is available, Loss of Pay (LOP) applies.
- **Early departure:** Leaving before completing 8 working hours without approval is treated as a short-hours day; three short-hours days in a month convert to one half-day leave.
- **Missed swipe or forgotten badge:** Employees may regularise attendance on ZenConnect within 5 working days of the date, with manager approval. A maximum of 4 regularisations per month is allowed.
- **On-duty (OD):** Time spent at client sites, training venues or official events is recorded as On-Duty with manager approval.

- **Absence without intimation:** Absence for 3 or more consecutive working days without information is treated as unauthorised absence and may lead to disciplinary action, including termination as per the Code of Conduct.

2.5 Shift Work (Policy HR-WH-005)

Teams providing production support or managed operations work in rotating shifts. Shift rosters are published at least 7 days in advance. Shift timings and allowances are as follows.

Afternoon Shift	2:00 PM to 11:00 PM	INR 200	Drop provided
Night Shift	10:00 PM to 7:00 AM	INR 400	Pick-up and drop provided

Employees on shifts receive 2 weekly offs, which may not be Saturday and Sunday. Consecutive night shifts are limited to 6 nights, followed by a minimum of 2 days off. 2.6 Overtime, Extra Hours and Compensatory Off (Policy HR-WH-006)

- Overtime pay is not applicable for employees in grades L1 to L8, as they are in professional roles with flexibility in hours.
- Employees who are asked to work on a weekly off or a company holiday are eligible for a Compensatory Off (Comp-off).
- Full-day comp-off requires at least 6 hours of work on the day; half-day comp-off requires at least 3 hours.
- The comp-off must be approved by the manager in advance and recorded on ZenConnect within 5 working days.
- A comp-off is valid for 60 days from the date of work and lapses thereafter. Comp-offs cannot be encashed.
- Employees on shifts who work beyond the rostered hours by more than 2 hours on any day receive a meal voucher of INR 300.

2.7 On-Call and Support Duties (Policy HR-WH-007)

Employees assigned to on-call rotation receive an on-call allowance of INR 1,500 per on-call week plus INR 500 for each incident handled outside regular hours. An employee may be on call for no more than one week in four. Rest of at least 11 hours must be provided between the end of an incident and the start of the next working day.

CL can be combined with Earned Leave or Sick Leave, but not with each other beyond a total of 3 consecutive days. CL lapses on 31 December and cannot be carried forward or encashed. For planned CL of 2 days or more, the employee should apply at least 3 working days in advance.

4.4 Sick Leave (Policy HR-LV-003)

- Employees are entitled to 8 days of Sick Leave per year for illness, injury or medical appointments.
- SL of more than 2 consecutive working days requires a medical certificate from a registered medical practitioner, submitted on ZenConnect within 3 working days of returning to work.
- SL of more than 5 consecutive working days requires a fitness certificate before rejoining.
- If the SL balance is exhausted, the employee may use Earned Leave or CL; otherwise Loss of Pay applies.

- In case of prolonged illness (more than 15 consecutive working days), the employee may apply for Extended Medical Leave of up to 90 days on loss-of-pay basis, subject to HR approval. Group health insurance coverage continues during this period.
- Sick Leave cannot be carried forward or encashed.

4.5 Earned Leave / Privilege Leave (Policy HR-LV-004)

Earned Leave accrues at 1.5 days per completed month of service (18 days per year). EL is intended for planned vacations and personal needs.

- **Notice:** EL of up to 5 days requires 5 working days' notice. EL of more than 5 days requires at least 2 weeks' notice. EL of more than 10 consecutive days requires approval of the manager and the Business Unit Head.
- **Probation:** EL accrues during probation but may be availed only after confirmation, except in emergencies approved by HR.
- **Carry-forward:** Unused EL can be carried forward up to a maximum accumulated balance of 36 days. Any balance exceeding 36 days on 31 December lapses.
- **Encashment in service:** Employees with an EL balance above 20 days may encash up to 6 days once per year during the December encashment window. The encashment is paid at the basic salary rate per day (monthly basic divided by 26).
- **Encashment on separation:** Unutilised EL up to 36 days is encashed in the full and final settlement at the basic salary rate.

4.6 Maternity Leave (Statutory, Policy HR-LV-005)

Female employees are entitled to maternity leave in accordance with the Maternity Benefit Act, 1961 (as amended).

- 26 weeks of paid leave for the first two children, of which not more than 8 weeks may be taken before the expected date of delivery.
- 12 weeks of paid leave from the third child onwards (6 weeks before delivery at the maximum).
- 12 weeks of paid leave for adopting mothers (child below 3 months) and commissioning mothers.
- 6 weeks of paid leave following a miscarriage or medical termination of pregnancy, on production of a medical certificate.
- 2 weeks of paid leave in case of tubectomy surgery, and up to 1 month of leave on medical grounds related to pregnancy, delivery, premature birth or illness arising from them.
- Employees may apply for a work-from-home option for up to 6 months after the completion of maternity leave, subject to the nature of the role and mutual agreement with the manager.
- The employee must have worked for at least 80 days in the 12 months immediately preceding the expected date of delivery.
- Zenvora provides a creche facility at the Bengaluru and Hyderabad campuses (Section 8.9). Four creche visits per day are allowed until the child is 15 months old.

Applications must be submitted to the HRBP at least 8 weeks before the expected date of delivery, with a medical certificate. The HR Benefits team assists with documentation and insurance coverage for the delivery.

4.7 Paternity Leave (Policy HR-LV-006)

Male employees are entitled to 10 working days of paid paternity leave on the birth or adoption of a child, up to two occasions during their tenure. The leave can be taken in one stretch or in two parts, and must be completed within 6 months of the date of birth or adoption. Supporting documents (birth certificate or hospital discharge summary) must be uploaded within 30 days.

4.8 Marriage Leave (Policy HR-LV-007)

Employees with a minimum of 6 months of service are entitled to 5 working days of paid marriage leave, once during their tenure with the Company. The leave may be combined with EL and must be availed within 30 days before or after the date of marriage. A wedding invitation or marriage certificate is required.

4.9 Bereavement Leave (Policy HR-LV-008)

In the event of the death of a spouse, child, parent, sibling, parent-in-law or grandparent, an employee is entitled to 5 working days of paid bereavement leave. For other close relatives, up to 2 days may be granted at the manager's discretion. Employees may apply retrospectively within 5 working days of returning to work.

4.10 Adoption Leave and Parental Support (Policy HR-LV-009)

In addition to maternity leave for adopting mothers described in Section 4.6, adopting fathers and same-sex partners who are primary caregivers are eligible for 10 working days of paid adoption leave. Employees who adopt a child older than 3 months are entitled to 4 weeks of parental leave, which can be combined with EL.

4.11 Loss of Pay (LOP) (Policy HR-LV-010)

Leave taken without sufficient balance, or unauthorised absence, is treated as Loss of Pay. The LOP deduction per day is calculated as monthly gross salary divided by the number of calendar days in that month. LOP does not affect the continuity of service but can affect the eligibility for variable pay and the accrual of EL (EL accrues only if the employee has been present or on paid leave for at least 15 days in that month).

4.12 Sandwich Rule (Policy HR-LV-011)

If a weekend or a company holiday falls between two periods of leave of the same type (for example, leave on Friday and the following Monday), the intervening non-working days are counted as leave only when the leave on both sides is Casual Leave or Sick Leave. For Earned Leave, the sandwich rule does not apply when the employee takes at least 3 days of continuous EL.

4.13 Sabbatical Leave (Policy HR-LV-012)

Employees at L3 and above who have completed 5 years of continuous service may apply for an unpaid sabbatical of 1 to 3 months for higher education, personal development, caregiving or long-form travel. Requests must be made at least 90 days in advance and approved by the Business Unit Head and the HR Head. Group health insurance and employment continue during the sabbatical, but EL does not accrue. A sabbatical may be availed only once every 5 years.

4.14 Study and Examination Leave (Policy HR-LV-013)

Employees pursuing a degree or certification approved by L&D are entitled to up to 5 paid days of study leave per year for examination days and preparation. Proof of enrolment and the hall ticket are required.

4.15 Menstrual Wellness and Women's Health Support (Policy HR-LV-014)

Women employees may avail up to 2 days of work-from-home per month for menstrual wellness without applying for leave. Employees may also use Sick Leave for related medical needs without a medical certificate for the first 2 days.

4.16 Leave Application and Approval Workflow

1. Log in to ZenConnect and select Leave > Apply Leave. Choose the leave type, dates, and add a reason and a backup contact.
2. The request is routed to the reporting manager, who is expected to approve or reject within 2 working days.
3. If there is no response in 3 working days, the request escalates automatically to the skip-level manager.
4. For leave of more than 10 days, HR (HRBP) is added as an additional approver.

5. Employees may cancel or modify an approved leave up to 1 working day before the start date; after that, the manager's approval is needed.
6. Approved leave appears on the shared team calendar. Employees should set an out-of-office message and handover pending work.

4.17 Leave During Probation, Notice Period and Separation

- During probation, CL and SL are available pro-rata. EL can be used only in emergencies with HR approval.
- During the notice period, EL may be availed with the manager's approval, but the notice period is extended by the number of days of leave taken, except for statutory leave and sick leave supported by a medical certificate.
- Leaves cannot be used to shorten the notice period without written approval.

4.18 Sample Leave Balance Calculation

Example: An employee who joined on 16 April 2026 will receive pro-rata CL and SL for the remaining 8.5 months of the calendar year. Pro-rata credit is calculated by dividing the annual entitlement by 12 and multiplying by the number of completed months, with half or more of a month rounded up to a full month. CL: 8 x 9 / 12 = 6 days; SL: 8 x 9 / 12 = 6 days; EL: 1.5 x 8 = 12 days accrued by 31 December 2026.

5. Compensation, Payroll and Statutory Benefits

5.1 Salary Structure (Policy HR-PY-001)

The total compensation of each employee is communicated as Cost to Company (CTC) in the offer letter. The CTC comprises fixed pay, employer contributions, statutory benefits and, where applicable, a variable component.

- The payslip is available on ZenConnect (Payroll > Payslips) by the 2nd working day of the following month.
- Reimbursement claims approved by the 20th of a month are paid with that month's salary; claims approved later are paid in the next cycle.

- The payroll cut-off for attendance and leave inputs is the 20th of each month (previous 21st to current 20th, with exceptions notified).

5.3 Provident Fund (Statutory, Policy HR-PY-003)

Both the employee and the employer contribute 12 percent of the basic salary to the Employees' Provident Fund (EPF). Zenvora is registered with the EPFO, and every employee is assigned a Universal Account Number (UAN). Employees who join from another company should activate their UAN and link their previous account through the EPFO portal. Voluntary Provident Fund (VPF) contributions above 12 percent may be opted for during the annual window in April.

5.4 Gratuity (Statutory, Policy HR-PY-004)

Employees who complete 5 years of continuous service are eligible for gratuity under the Payment of Gratuity Act, 1972. Gratuity is calculated as 15 days of last drawn basic salary for each completed year of service, using the formula (last drawn basic salary x 15 / 26) x years of service. Gratuity is also payable to the nominee in case of death or disability, irrespective of the 5-year requirement. Gratuity is capped at the statutory limit prescribed by law.

5.5 Variable Pay and Bonuses (Policy HR-PY-005)

- Variable pay is linked to individual performance, team results and company performance. The target variable percentage is stated in the offer letter (typically 5 to 15 percent for L1 to L4 and 15 to 30 percent for L5 and above).
- Quarterly variable pay is released within 45 days of the end of the quarter, subject to the employee being in service and not on notice period on the payout date.

- Joining bonus or retention bonus, where applicable, is subject to a recovery clause as per the agreement.
- Spot awards of INR 2,500 to INR 25,000 may be granted by managers for exceptional contributions using the Zen Applause platform.

5.6 Increments and Promotions (Policy HR-PY-006)

The compensation review cycle runs annually. Performance ratings from the March review determine increments and promotions that are effective from 1 April. Employees must have completed at least 6 months by 31 December of the previous year to be eligible for the full increment; those who joined later receive a pro-rata increment. Promotions are discussed in Section 7.4.

Performance rating	Indicative increment range	Variable payout
Exceptional (5)	12 to 18 percent	Up to 150 percent of target
Exceeds Expectations (4)	9 to 12 percent	Up to 125 percent of target
Meets Expectations (3)	5 to 8 percent	100 percent of target

- Tax is deducted at source (TDS) in accordance with the Income Tax Act. Employees choose between the old and new tax regimes on ZenConnect in April; the default is the new regime.
- The investment declaration window opens in April, and proof of investments is collected in January and February.
- Form 16 is issued by 15 June each year. Form 12BB is used for HRA, LTA and home loan interest claims.
- Employees who change jobs during the year should submit Form 12B with previous employer income details to avoid excess TDS.
- Employees may contact the Payroll team for tax-related queries at payroll@zenvora.example.com.
